**Note 1:** Assembly salaries of MP's and MEP's are abated ie. reduced by two thirds; Assembly salaries of Members of the House of Lords are not abated as they do not receive a salary from the House of Lords.

**Note 2:** Total salary includes any allowances that a Member receives for holding an Assembly office (eg Minister, Committee Chairman etc).

**Note 3:** Office Cost Allowance represents actual expenses claimed against invoices.

**Note 4:** The amounts shown for travel allowance are gross and do not reflect any tax deducted. The Speaker and Ministers are entitled to use official cars. Members' travel expenses are likely to be affected by the distance they live from Belfast and by the location and size of their constituencies

**Note 5:** Subsistence expenses may lead to a corresponding reduction in travel expenses (eg as a result of a Member staying overnight in Belfast for early meetings the next day, home to Stormont travel costs will not be incurred)

**Note 6:** Other expenses include airfares, taxis, public transport and child care allowance.

**Note 1:** Assembly salaries of MP's and MEP's are abated ie. reduced by two thirds; Assembly salaries of Members of the House of Lords are not abated as they do not receive a salary from the House of Lords.

**Note 2:** Total salary includes any allowances that a Member receives for holding an Assembly office (eg Minister, Committee Chairman etc)

**Note 3:** Office Cost Allowance represents actual expenses claimed against invoices.

**Note 4:** The amounts shown for travel allowance are gross and do not reflect any tax deducted. The Speaker and Ministers are entitled to use official cars. Members' travel expenses are likely to be affected by the distance they live from Belfast and by the location and size of their constituencies

**Note 5:** Subsistence expenses may lead to a corresponding reduction in travel expenses (eg as a result of a Member staying overnight in Belfast for early meetings the next day, home to Stormont travel costs will not be incurred)

**Note 6:** Other expenses include airfares, taxis, public transport and child care allowance.
