1. 2. My terms of reference are essentially set out in Standing Order 43(6) (taken with the delegations under Standing Order 43(4)(b)). They are as follows:

“(6) In scrutinising an instrument the appropriate Committee shall inter alia consider the instrument with a view to determining and reporting on whether it requires to be drawn to the special attention of the Assembly on any of the following grounds, namely, that –

 - (a) it imposes a charge on the public revenues or prescribes the amount of any such charge;
 - (b) it contains provisions requiring any payment to be made to any Northern Ireland department or public body in respect of any approval, authorisation, licence or consent or of any service provided or to be provided by that department or body or prescribes the amount of any such payment;
 - (c) the parent legislation excludes it from challenge in the courts;
 - (d) it purports to have retrospective effect where the parent legislation confers no express authority so to provide;
 - (e) there appears to have been unjustifiable delay in the publication of it or in the laying of it before the Assembly;
 - (f) there appears to be a doubt whether it is intra vires or it appears to make some unusual or unexpected use of the powers conferred by the parent legislation;
 - (g) it calls for elucidation;
 - (h) it appears to have defects in its drafting;

or on any other ground which does not impinge on its merits or the policy behind it.”.
