

## **REGIONAL DEVELOPMENT COMMITTEE**

### **Report of the Committee's study visit to the Belfast Streets Ahead Project Thursday 20 May 2010**

On Thursday 20 May 2010, Michelle McIlveen, Deputy Chairperson of the Committee for Regional Development, visited the Belfast Streets Ahead Project, together with Members of the Committee for Social Development.

Members received briefing from officials from the Department for Social Development and from Roads Service that provided an overview of the Belfast Streets Ahead Project and its linkages with other projects throughout the centre of the city, included the Belfast Metropolitan Transport Plan and the Rapid Transit project.

Following the briefing, Members were taken on a tour of phase 1 of the project and had an opportunity to see the project as it progressed through different stages. These included ongoing work at Donegall Place and completed works in areas such as Arthur Square.
