

AQW 8505/09

Basil McCrea has asked:

To ask the Minister of Education to detail, by sector and in each post-primary school, (i) the number of pupils; (ii) the number of pupils entitled to free school meals; (iii) the number of pupils that take free school meals; (iv) the number of pupils entitled to a free school uniform; and (v) the number of pupils that take a free school uniform, using the most recent October statistics.

The information requested is detailed below.

Information on enrolment and entitlement to, and uptake of, free school meals is taken from the 2008 School Census and School Meals Census. The latter provides a snapshot of the numbers taking meals on the day on which the census information is gathered.

Census information is not collected on the number of pupils who are entitled to a school uniform grant. The figures shown in column (D) therefore relate to the number of pupils who applied for and were in receipt of the grant in the 2008/09 school year. It should also be noted that the grant is not intended to cover the full cost of a uniform; rather it is designed to assist those in need with the cost of purchase.
