

19 November 2009

AQW 2439/10

Barry McElduff has asked:

To ask the Minister of Education to detail the number, the location, the grade and the posts (i) within her Department; and (ii) within the Western Education and Library Board, currently located in (a) the Omagh District; and (b) the Strabane District; and to outline her Department's plans to retain and increase the number of such posts in West Tyrone.

Níl aon poist ag mo Roinn i limistéir na hÓmaí agus an tSratha Báin. Thug Príomhfheidhmeannach Bhord Oideachais agus Leabharlainne an Iarthair eolas dom ar an líon, ar shuíomh, ar ghrád agus ar na poist atá suite i limistéir na hÓmaí agus an tSratha Báin agus shocraigh mé an t-eolas seo a chur i Leabharlann an Tionóil.

My Department has no posts in the Omagh and Strabane Districts. I have been advised by the Chief Executive of the Western Education & Library Board of the number, location, grade and posts, currently located in the Omagh and Strabane districts and have arranged for this information to be placed in the Assembly Library.

I fully appreciate the contribution which public-service jobs can make to the economic and social development of local communities. The retention or increase of WELB posts however in West Tyrone is a matter for the Board at this time. As part of the establishment of ESA, decisions on location will be subject to equality screening, and an Equality Impact Assessment and consultation where appropriate. Decisions will be taken in line with the guiding principles for RPA location. This process will allow Ministers to look at all the location decisions on the many sectors affected by the RPA at one time.
