

**Sammy Wilson MP MLA, Minister
Craigantlet Buildings,
Stormont, Belfast BT4 3SX**

**Mr Peter Weir MLA
Northern Ireland Assembly
Parliament Buildings
Stormont**

12 April 2010

AQW 5993/10

Mr Weir has asked:

To ask the Minister of Finance and Personnel to list the wards in Northern Ireland in order of their deprivation rating.

ANSWER

The Northern Ireland Multiple Deprivation Measure 2010 was reported for small areas where rank 1 is the most deprived area and rank 890 is the least deprived area. These small areas are called Super Output Areas and are either electoral wards or subdivisions of electoral wards.

The list of Super Output Areas with deprivation ranking from 1 to 890 has been placed in the Library. Further more detailed and summary results, including an electoral ward level summary measure, will be issued later in Summer 2010.
