

**AQW 1744/11-15**

**23 September 2011**

**Mervyn Storey has asked:**

To ask the Minister of Education for each of the last three years, including this school year, to detail the number of pupils enrolled in the (i) maintained; (ii) controlled; (iii) Irish-medium; (iv) voluntary grammar; and (v) integrated sectors, broken down by (a) primary school and post-primary school; and (b) Education and Library Board.

Information for the 2011/12 school year has not yet been collected by the Department and will be available in December.

The latest information available relates to the 2010/11 school year. Information has therefore been provided for the years 2009/10 and 2010/11.

Two separate tables have been provided, one for primary schools and one for post-primary schools. Within each table, schools have been sorted by management type, name and by Education and Library Board.

#### **Enrolments at primary schools 2009/10 - 2010/11**

Source: NI school census.

Note:

1. 'na' means school was not open in that academic year.
2. Figures for primary schools include children in nursery, reception and Year 1 – 7 classes.
3. Figures for post-primary schools include children in Year 8 – 14 classes.
