### **SEUPB & INTERREG IVA**

At its meeting on 06 January 2010 the Committee for Finance and Personnel received an oral briefing from Department of Finance and Personnel officials on the EU Commission Taskforce Action Plan and from the Special European Union Programmes Body (SEUPB) on EU Programmes. This included information on the implementation of INTERREG IVA.

Given the interest of Committee for Enterprise, Trade and Investment in the INTERREG IVA Programme, members agreed to forward the briefing paper received for this evidence session to the Committee for information.

The draft Hansard of the briefings on the EU Commission Taskforce and from SEUPB will also be available shortly on the Committee for Finance and Personnel web pages.
