Samuel Gardiner has asked:

To ask the Minister of Education to detail all the land that is owned by her Department, its agencies, and the Education and Library Boards.

Details of all land owned by the Department and the Education and Library Boards are set out in the annual accounts of the respective bodies. The latest set of audited accounts for the Department of Education (as at 31 March 2008) shows that the Department owns one area of land that was the former site of Drumaghlin Primary School. This school closed in August 2007 and its land reverted to the ownership of the Department as temporary custodian. This is detailed in Annex A.

The latest set of audited accounts for the Education and Library Boards (as at 31 March 2008) shows the ownership of land as detailed in Annex B.
