

AQW 8504/09

**Basil McCrea has asked:**

To ask the Minister of Education to detail, by sector and in each primary school, (i) the number of pupils; (ii) the number of pupils entitled to free school meals; (iii) the number of pupils that take free school meals; (iv) the number of pupils entitled to a free school uniform; and (v) the number of pupils that take a free school uniform, using the most recent October statistics.

The information requested is detailed below.

Information on enrolment and entitlement to, and uptake of, free school meals is taken from the 2008 School Census and School Meals Census. The latter provides a snapshot of the numbers taking meals on the day on which the census information is gathered.

The school uniform grant for primary school children is only being introduced from the 2009/10 school year so no figures are available at present. However, the eligibility criteria are similar to those used to qualify for free school meals and the numbers involved should therefore be comparable.
