I have arranged for the information to be placed in the Assembly Library.

AQW 67/10

Michelle McIlveen MLA has asked:

To ask the Minister of Education to list the eight controlled primary schools which offer GAA sports coaching under the sports teaching programme, which she introduced in 2007.

I have concerns that to name the schools might endanger their security. In order to avoid placing any individual school in an invidious position, therefore, I have placed a list of all the schools which received sports coaching under my Primary Sports Programme from either the Gaelic Athletic Association or the Irish Football Association in the 2008/09 school year in the Assembly Library.
