Peter Weir has asked:

To ask the Minister of Education:

1. To list (i) the School Governors in the South Eastern Education and Library Board area who were not reappointed under the reconstitution of the Boards for 2009-13, including the schools involved; and (ii) the School Governors who resigned from their posts.
2. To list (i) the School Governors of the South Eastern Education and Library Board area that have been reappointed under the reconstitution for 2009-13; and (ii) to which schools they have been reappointed.
3. To list the schools in the South Eastern Education and Library Board area which (i) have had their Boards of Governors reconstituted for 2009-13; and (ii) have not had their Boards of Governors reconstituted for 2009-13.
4. To detail the number of School Governors in the South Eastern Education and Library Board area who were (i) reappointed; and (ii) not reappointed, under the reconstitution of the Boards of Governors for 2009-13, broken down by (a) Board representatives; (b) transferor representatives; (c) teacher representatives; and (d) parent representatives.

ANSWER

I have arranged for lists to be placed in the Assembly Library of:-

- the School Governors in the South Eastern Education and Library Board area who under the current reconstitution exercise:
 - i. were not reappointed to their schools; or
 - ii. have resigned from their schools.

- the School Governors in the South Eastern Education and Library Board area who under the current reconstitution exercise:
 - i. have been reappointed to their schools; and
 - ii. the schools to which they have been reappointed.

Léiríonn an tábla seo thíos an staid reatha i dtaca le líon na nGobharnóirí Scoile i limistéar Bhord Oideachais agus Leabharlainne an Oirdheiscirt ar athcheapadh iad nó nár athcheapadh iad, faoin bheart athchóirithe reatha.

The table below shows current position on the number of School Governors in the South Eastern Education and Library Board area who, under the current reconstitution exercise, were reappointed or not reappointed.

Type of Representative	Number Reappointed	Number Not Reappointed*
Board	328	1
Transferor	241	43**
Teacher	15	11***
Parent	16	30***
Department	87	10

*The figures exclude those who have resigned.

**The transferor representatives are nominated or renominated by the relevant Protestant churches. Those not reappointed are those not renominated and may include representatives who have decided not to volunteer to serve for another term of office.

***The teacher and parent governors “not reappointed” are those who decided not to stand again for election, or were not re-elected.

None of the controlled or maintained schools in the South Eastern Education & Library Board’s area have had their Boards of Governors fully reconstituted at this stage. These schools are normally reconstituted in the first term of the school year with the election of parent and teacher governors taking place mid-term in October and November. Existing governors are expected to remain in post until their successors are appointed.

The lists exclude grant-maintained integrated schools, voluntary grammar schools and trustee governors of maintained schools.
