Note:

1. If a school was not open for a particular year, the pupil:teacher ratio has been marked with the symbol ' - ' .
2. The teacher numbers are based on a reference week in the autumn term.
3. The following types of teacher are included when calculating the Pupil:Teacher Ratio:
 - full-time (FT) permanent teachers;
 - part-time (PT) permanent teachers;
 - temporary teachers filling vacant posts, secondments or career breaks.
4. Excluded from the teacher element of the calculation are:
 - substitute teachers covering illness or other short-term absences;
 - peripatetic teachers
5. Pupil figures are taken from the Annual Schools' Census conducted in October.
6. Teacher and pupil numbers are expressed as full-time equivalents, with part-time hours being converted on the basis that a full-time working week is 32.4 hours.
7. The pupil - teacher ratio for individual schools is created by FTE pupils / FTE teachers.
